## AMERICA THE BEAUTIFUL

America the Beautiful, O beautiful for spacious skies,  
For amber waves of grain, For purple mountain majesties!  
America the Beautiful, O beautiful for forests wild,  
For rivers winding through the mountain valleys.

America the Beautiful, O beautiful for forests wild,  
For rivers winding through the mountain valleys!  
America the Beautiful, O beautiful for forests wild,  
Cedars, elms, and pines, and cedars, elms, and pines!
